**LES
SPAMS**

The image features the words 'LES SPAMS' in a large, bold, yellow, hand-painted font. The letters are thick and blocky, with a rough, textured appearance. The text is set against a solid black background. There are numerous small yellow speckles and larger splatters around the letters, giving it a graffiti-like or spray-painted look. Several yellow drips are visible, particularly from the bottom of the 'S' and the 'M', and from the 'A' in the second line. The overall composition is centered and has a high-contrast, energetic feel.
